Dear Colleagues,

**Solidarity Support from UNI Post & Logistics**

UNI Post & Logistics Global Union supports you in your struggle to gain a decent collective contract and demands that CTT Correios immediately recommences meaningful negotiations to settle all your outstanding justified demands.

UNI Post & Logistics condemns the company for not bargaining meaningfully with your unions and ensuring that all the workers in CTT Correios have a fair and decent contract in accordance with the fair and justified demands of your unions. It is shameful that your union leadership has had to take such action as a hunger strike to highlight the company's failure to conclude negotiations in a fair and honest manner and we demand they immediately return to the bargaining table with the intention of settling a fair contract that guarantees CTT workers the decent conditions they are entitled to in line with your totally justified demands.

Yours sincerely

Neil Anderson

Head of UNI Post & Logistics Global Union
